1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section <u>must</u> be completed. Attach additional information if necessary.)

I am a customer of Carolina Water.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

There are only three people living at our house and our average monthly water / sewer bill over the past twelve months is over \$100.00. We have lived all over the southeast and the cost of water/sewer here is the highest we have encountered. I cannot understand how Carolina Water can ask for a large rate increase. We are paying extremely high water rates now and any increase would be unfair and not warranted. The company needs to look for ways to be more efficient, just like many other companies have done during this very difficult recession. I adamantly protest any increase in rates.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

(This section should be completed.)

I would like to.
